Applying for PayAnywhere.

Head to payanywhere.com/campmasters to apply for your account. As the head of your Unit, you are responsible for your account. Use your information for the majority of the fields on this page.

The Boy Scouts of American National Council does not permit any regional or local councils, troops, packs, or units to use the National Council’s Tax Identification Number (TIN) when applying for a merchant processing account.

Units should not use the Social Security Number of an adult leader; if they do, the IRS will attribute all banking transactions, unit purchases, etc., to that leader as an individual and they will be solely responsible for any tax related burden. Total transactions under $20,000 do not trigger a TIN however.
