THE NB CENTER
FOR AMERICAN AUTOMOTIVE HERITAGE

You're invited to a Minsi Trails Council Alumni & Eagle Gathering!

Join fellow Scouting Alumni and Eagle Scouts for an evening at The NB Center for American Automotive Heritage. This world-class automotive collection, located in Allentown, is one of the premier, private automotive collections in the world. You'll not only see some great classic cars, but also learn the history of many American iconic auto brands. This event is open to all Scouting Alumni and Eagle Scouts, anyone who's been positively impacted by Scouting: former Scouts, Scout parents, Scout leaders and volunteers. In addition to the great automotive collection, you'll enjoy the fellowship of Scouting Alumni and Eagles along with meeting Minsi Trails Council's new Scout Executive, Rick Christ.

Don't miss out on this great opportunity for an exclusive visit to The NB Center for American Automotive Heritage and see one of the best automotive collections in the world. Located on 26 acres, The NB Center is a classic car collector's dream and we will have access to two of their collection buildings. It's a great chance to gather with Scouting friends, alumni and Eagle Scouts. Enjoy this Scouting evening at a world-class, local venue.

Eagle Scouts, please be sure to attend since this is a great chance to gather and share the evening with other area Eagle Scouts. There will be a special recognition for all Eagle Scouts attending this gathering.
