

MINSI TRAILS S.T.E.M. CAMP

Explore your future. Explore your world.

Minsi Trails Council is proud to continue **STEM Camp**, an exciting summer camp experience for Scouts hosted at Camp Minsi. This special 4-day program provides in-depth and hands-on experiences to help participants explore careers, trade skills, scientific fields, and technology – all while having fun in a great camp environment.

Participants will have opportunities to work on earning a variety of BSA skill awards and advancements – including merit badges, STEM Nova awards, and more! Experts and knowledgeable professionals in each field of study will help guide participants as they explore a variety of careers and subjects. Off-site field trips will also fill out the experience as Scouts visit and explore nearby coal mines, airports, railways, police stations, farms, and more.

Participants attending individually (or with a buddy) will join a fully-staffed provisional patrol for the week, living and learning alongside youth with shared interests.

Sunday, July 31, 2022 to Wednesday, August 3, 2022

2021 Fee: \$300 per participant (if registered before June 1st)

Late Fee: \$335 per participant (if registered after June 1st)

PREPARE FOR DISCOVERY

Who can participate?	The Minsi Trails Council STEM Camp program is open to any registered Scout, Venturer or Explorer (boys and girls ages 10 to 20).
Do Scouts attend with their troop/crew/post or as individuals?	This program is designed for Scouts to register and attend as individuals (although they can sign-up with a buddy or two from their home unit). Participants will be placed into a fully-staffed provisional patrol for the week, living and learning alongside other youth with shared interests.
Where will I be staying?	Participants will be staying in our summer camp campsites. Each site is equipped with standard BSA canvas tents on raised wooden platforms. Tents hold two cots. Each site also includes a comfort station with private latrine facilities and running water.
What should I bring to camp?	Any good Scout should "be prepared" and bring the necessary items when they go camping. A suggested list of things to bring to STEM Camp can be found on Page 2 of this guide. An Annual BSA Medical Form (Parts A, B, and C) will also be need upon you arrival at camp.
Are there additional costs for any of the activities?	No, all of the program expenses and supplies are built-in to the camp fees for this specialty camp. However participants may want to bring some extra spending money for souvenirs and treats at the camp trading post throughout the week.
Are there prerequisite requirements for any of the merit badges?	No, due to the expert teachers and special opportunities being offered during this week, there are no additionally pre-requisites for any of the badges. However Scouts should bring a "blue card" (signed by their Scoutmaster) for each badge they plan on earning.
Aside from merit badges, what other awards can I earn?	Working with the STEM Camp staff at our special evening workshops, Scout will be able to complete one of the BSA's five Nova awards and begin on the path towards earning the Boy Scouts of America's prestigious Supernova Award.
Can I attend as a day camper?	Yes, a day camp option is available. Scouts should arrive on Monday, Tuesday and Wednesday at 8:45am and should be picked-up at 5:00PM when merit badge instruction is completed. Lunch is included. Scouts doing the day camp option will not participate in the evening Nova workshops.

SELECT A FOCUS EACH DAY...

<u>MONDAY MERIT BADGES</u>	<u>TWO-FOR-TUESDAY</u>	<u>WEDNESDAY MERIT BADGES</u>
(Select One Badge)	(Select One Pairing)	(Select One Badge)
Woodwork	Automotive Maintenance & Farm Mechanics	Chemistry
Game Design	Dentistry & Public Health	Oceanography
Horsemanship	Art & Music	Plant Science
Engineering	Fish and Wildlife Management & Fishing	Exploration
Rifle Shooting	Signs, Signals and Codes & Public Speaking	Shotgun Shooting
Environmental Science	First Aid & Fire Safety	Welding

Check-In:

Scouts should arrive at Camp Minsi between 2PM and 3PM on Sunday. They will be directed to check-in at the Administration Building just off the parking lot. The office check-in will review their registration and that payment has been received. After checking in at the Administration Building, a staff guide will take you to the Health Lodge for a medical check. All participants must turn in a completed BSA Annual Health and Medical Record (parts A, B and C). Scouts will then be led to their campsite to unload gear and get settled into a tent.

Check-Out:

The STEM Camp program concludes on Wednesday with our closing ceremonies in the Parade Field at 5:45PM, followed by a camp-wide picnic barbeque dinner. Parents and families coming to pick-up their Scouts are invited to attend the closing ceremonies and the picnic. Scouts can pick-up their blue cards, check-out and depart between 6:30PM and 7:30PM on Wednesday evening.
