MINSI TRAILS COUNCIL

September 8, 2025

To Whom it May Concern,

For standard FS-602, Food Service, Minsi Trails Council requires that there be a minimum of one person certified as a ServSafe Food Handler (or greater i.e. ServSafe Manager) to serve food during short term camps. This individual is responsible for ensuring that all ServSafe practices are followed to minimize risk of food borne illnesses.

If your event is taking place outside of Camp Minsi, please be sure to check the facilities meet the requirements in the standard. For short term camps held at Camp Minsi the kitchen and dining hall are certified by the Pennsylvania Department of Agriculture, Council maintains records.

Sincerely,

Brian Dungan | Camping Director
